

10 February --

25X1A9a

Bill Harris will leave a copy of his bibliography in Mr. Edward's office. I said I would pick it up on Monday from Mr. Edward's office.

He wanted to chat with you regarding suggestion that bibliography be put out by Praeger or some other publisher--wanted to get your reaction to degree of opposition before he mails drafts to editors..... Said he hoped to come down again, sorry he missed seeing you.

Eileen
