

14 April 1958

MEMORANDUM FOR THE DIRECTOR

1. This memorandum is for information only:

2. On the Kenyon Edwards "Week in Review" TV show yesterday, (April 13, 1958) the guest was an engineer, Mr. Hieronymus, who stated that he has discussed with the CIA, the Army and the Air Force, his "death ray" machine. On the previous week this gentleman gave an exhibition of his "death ray" machine and said he was in Washington trying to interest responsible government authorities in his invention.
