

F. Kennedy Library

Approved For Release 2001/08/28 : CIA-RDP75-00149R000400340018-5
13 February 1961

Mr. Lawrence Houston

7D 01 Hq

Attached is a package of material which might be offered to the JFK Library. Included are the CIA pamphlet and five speeches by Allen Dulles. While the January 1960 speech is early for the JFK Presidential period, it is an especially good speech about CIA and intelligence.
