HUNGARIANS REPUBLISH NATION ARTICLE ON CIA, AFL-CIO  
CPYRGHT

The 17 July 1966 issue of Magyarorszag, a political weekly published in Budapest, republishes on page 13, in its "From 100 Papers of 5 Continents" section, a 3 paragraph version of the article from The Nation alleging a link between the CIA and the AFL-CIO. The original article by Stanley Meisler had appeared in the February 1964 issue of The Nation. Quotations from this article and from a letter to the New York Times by Cheddi Jagan are given. The bulk of the article consists of attacks on the operations of Jay Lovestone.
