3. The general question is raised with regard to all Situation Reports as to whether any clearance should be obtained from the CIA agencies before passing them on as a great deal of material, such as the 'Military Situation' comes from them. This is particularly true of SR 1, Turkey, as was noted in paragraph 3 of the reference.

4.

25X1X7

a. Enclosure No. 1 contains one copy of each report published to date and considered suitable for exchange with [redacted] with the possible exception of those reports referred to in paragraph 3 above.

b. Enclosure No. 2 contains one copy of each report published to date and considered unsuitable for exchange for the reasons stated in paragraph 3 of reference above and paragraph 2 of this memorandum.
