MEMORANDUM FOR: Deputy Director, Intelligence

SUBJECT: Report to the NSC on United States Export Licensing Policy Toward Hong Kong and Macao

REFERENCE: NSC Document 122, dated 18 January 1952

1. The referenced report, NSC 122, together with the draft Department of Commerce Determination appended as Attachment "A," embodies agreements reached by technical representatives of the Departments of State, Defense, and Commerce.

2. These papers have not been reviewed by the inter-agency committees which advise the Secretary of Commerce on security export control matters. If such a restatement of the United States export licensing policy toward Hong Kong and Macao had been considered by these committees, the CIA representatives would have called attention to possible security risks involved. However, it does not appear to be practicable to raise these considerations at this level.
