MEMORANDUM FOR: See Distribution

SUBJECT: U-2 Inventory

This memorandum shows the entire inventory of the U-2 fleet as it has changed from the original purchase of 55 aircraft to the present inventory level. The data is current as of this date according to the latest available information. As major changes occur, new memorandums will be prepared and distributed for the information of all concerned. The original inventory, subsequent losses and projected loss rate are indicated on separate pages.
