2. The meeting briefly outlined the NRO Organizational Chart to more clearly identify relationships, reviewed the impropriety of having line functions within the NRO Staff, and underscored the need to identify functions and responsibilities of the Agency Directors and Program Directors prior to refining the NRO Staff function and personnel requirements.

3. [Redacted] indicated his intent to review this subject further after the information furnished was further digested by himself and [Redacted]. He suggested this occur on or about 13 January.
