OFFICE OF LEGISLATIVE COUNSEL

Friday - 12 October 1973

25X1 1. ([] - JGO) Debriefed Richard A. Ransom, House Armed Services Committee staff, and completed the necessary documentation closing out his access clearances. Ransom will be leaving the staff on Monday.

25X1 2. ([] - JGO) Accompanied [], OCI, to a meeting with Pat Holt, Senate Foreign Relations Committee staff. [] updated the information provided Holt in previous briefings on Chile and responded to his many questions arising principally from the Washington Post editorial and Newsweek article on numbers of casualties. There are no followups from today's meeting. 25X1

25X1 3. ([] - JGO) Delivered to Bill Hogan, Counsel, Intelligence Subcommittee, House Armed Services Committee, a copy of a memo from Howard Osborn, D/S, concerning a date set forth in Osborn's affidavit of 9 May 1973. Hogan told me he would add it to the file and noted that it would have no effect on the material set forth in the Committee report. He did not comment further on the Committee report.

25X1 4. ([] - JGO) Delivered two copies of the transcript of the Director's briefing of the Inter-American Affairs Subcommittee on 11 October to Mike Finley, of the Subcommittee staff. Finley told me that he wanted to check with Marian Czarnecki, Chief of Staff of the House Foreign Affairs Committee, to see whether the present agreement with the Agency concerning classified control of the transcripts would allow retention of one copy for binding in the permanent Committee files. I told Finley that it was my understanding that all copies would be retained by the Agency for safekeeping and would be available on the call of the Committee. The two copies were picked up at the end of the day and returned to Headquarters for safekeeping.
