Mr. Herbert Roback, Staff Director
Committee on Government Operations
House of Representatives
Washington, D. C. 20515

Dear Mr. Roback:

I want to thank you for taking time out of your very busy schedule yesterday to meet with the members of our Advanced Intelligence Seminar. They were most interested in your presentation of the congressional committee structure and enjoyed the candor of your comments on various current matters before the Congress.

Incidentally, Jack Maury has told me how helpful you were recently in connection with another matter of concern to us. This, too, we deeply appreciate.

Sincerely,

SIGNED

Vernon A. Walters
Lieutenant General, USA
Acting Director
