3. (Secret - JGO) Met with Ralph Preston, House Appropriations Committee staff, and gave him a copy of the National Intelligence Program Appropriations for FY 1972, 1973, and 1974 dated 23 February 1973 and brought him up-to-date on the tentative schedule for Appropriations briefings in the Senate. Preston told me that the House schedule is so overloaded at the present time that he cannot forecast at this moment when the Committee might be ready to hear the Director or when he himself can get away for a staff briefing on the budgets.

I briefed Preston on several current intelligence items. See Memorandum for the Record.

4. (Secret - JGO) Met with James Wilson, House Science and Astronautics Committee staff, and briefed him on Salyut 2. Wilson took the occasion to introduce me to Jack Swigert, Staff Director for the Committee, who just reported today for full-time duty.
