7. (Confidential - GLC) Called Pat Holt, Senate Foreign Relations Committee staff, and took him to task on their failure to excise a question by Senator Percy from the transcript of [redacted] testimony before the Senate Subcommittee on Multinational Corporations. (Holt had agreed yesterday that this item would be deleted.) Holt checked his master copy and said the question by Percy and the subsequent one by Senator Church should be excluded from the transcript as it was relayed and he attributed the error to Ward & Paul Reporting Firm. He said he would call Ward & Paul today about it and suggested that I do the same. I told him we preferred to deal with him in the matter since we had no direct relationship with Ward & Paul with regard to the deletions. Hold said he would see to it, however, that this item is deleted from the transcript as it is printed in its final form.
