OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 6 November 1973

25X1 1. [redacted] Delivered to the offices of Senators William Saxbe (R., Ohio), J. W. Fulbright (D., Ark.), and Representative John A. Blatnik (D., Minn.) FBIS items in which their names were mentioned.

25X1 2. [redacted] Delivered to George Holliday, Congressional Research Service, Library of Congress, a compilation of Romanian agriculture export and export statistics in response to his request for assistance in answering a member's request. Holliday said the material was exactly what he needed.

25X1 3. [redacted] Delivered a package containing proposed Agency legislation amending the CIARDS to provide for cost of living increments upon retirement to Frank Slatinshek, Chief Counsel, House Armed Services Committee, the Office of the Speaker of the House, the Office of the President pro tempore of the Senate and a copy to Mr. [redacted] for Ed Braswell, Chief Counsel, Senate Armed Services Committee.

25X1 4. [redacted] Accompanied the Director, along with General Graham, [redacted] Knocke, to a briefing before the Intelligence Subcommittee of the Senate Armed Services Committee to discuss recent developments in the Middle East. See Memorandum for the Record.

25X1 5. [redacted] Senator Stuart Symington, Acting Chairman, Senate Armed Services Committee, called to say he was anxious to obtain as soon as available a memorandum which he could use in dealing with the press inquiries regarding the Helms memorandum to General Walters of 28 June 1972. I told him we would have it by 0900 tomorrow, 7 November.

25X1 6. [redacted] After consulting with Mr. Walsh, ADDI, I advised Jack Perry, of the Council on Invironmental Quality, that since Senator Stevens (R., Alaska) has already been advised of the existence of our intelligence memorandum on Oil and Gas Development in Siberia, he might as well go ahead and make the memorandum available to the Senator and retrieve it from him as soon as it was feasible to do so. I told him he could also suggest to Stevens that if he was interested, we would be glad to have several of our people meet with him to brief him further on this subject. Perry said he would proceed along the

MEMORANDUM FOR:   
Legislative Council

SUBJECT : Romanian Trade in Selected Agricultural  
Products and Machinery

1. Enclosed are the tables showing Romanian trade figures for agricultural products and machinery. Romanian currency was converted to U.S.\$ using the foreign-exchange rate prevailing at the given year.

2. The Romanian yearbook series has many gaps in data. Imports of grains, except rice, are not listed; only during the 1970 flood, however, is there any indication that significant imports took place. Additionally, commodity breakdowns are not available for trade in agricultural machinery except the export of tractors, a product the Romanians push.

3. If you have any questions or are in need of further data please feel free to let me know. My extension

7. (Unclassified - JGO) Received a call from Fran Christy, Staff Assistant, House Judiciary Committee, who asked for a copy of the Agency Guide to CIA Statutes and Law, published by the Office of the General Counsel, for Garner Cline, Counsel. I told Fran I would get a copy to her tomorrow for Cline.

8. (Unclassified - JGO) Talked to Edna Johnson, Executive Secretary, House Armed Services Committee, who told me that plans were underway for a number of members to travel to the Middle East later in the month, but as yet there has been no designation of the members that will be traveling.

10. (Internal Use Only - JGO) Returned a telephone call to Samuel Field, in the office of Representative William Lehman (D., Fla.), to the night security officer requesting among other items dollar cost of countering the effects of SAM-6 missiles in various countries of the world. I referred the Congressman's office to the Department of Defense for such information.

11. (Unclassified - LLM) Returned the call of Cedric Kroll, Actuary, U.S. Treasury Department, and responded to a number of questions he had concerning the proposed amendments to CIARDS, including retirement financing. Kroll appeared to be completely satisfied with our technical explanation of the amendments and it was agreed that we would speak again tomorrow to wind up the review.

12. (Internal Use Only - FMC) Received a call from [redacted] STAT Secretary-Administrative Assistant at the White House, who requested an employment interview. After making the arrangements with [redacted] Office of Personnel, I advised [redacted] that an interview was scheduled STAT for Monday, 12 November at 9:15 A.M.
