25X1 6. [ ] Received a call from Representative Bob  
25X1A Wilson (R., Calif.) who asked if we would arrange for a geographic type  
briefing for two young scientist constituents who are enroute to Mt. Ararat,  
Turkey on a scientific expedition. Arrangements were made through  
[ ], OCI, for a meeting with [ ] OBI, at the  
Magazine Building at 2:00 p. m. 25X1A

25X1 7. [ ] Received a call from Sally Weaver,  
Assistant to Representative Benjamin Blackburn (R., Ga.), who requested  
detailed information concerning escapees and prisoners killed in escape  
attempts from the Soviet bloc countries, China, Chile, etc. Miss Weaver  
indicated that a letter request had been made to Secretary of State, which  
she understood was being transferred to this Agency for action. After  
25X1A checking with [ ] OCI, I called Stanton D. Anderson, Office  
of Legislative Affairs, Department of State. Anderson said he would run  
the letter down and agreed that it was not a matter for transfer to this  
Agency for action. Miss Weaver will look to the Department of State for  
a response to Representative Blackburn's original request. [ ]  
was advised. 25X1A

25X1 8. [ ] In the company of Scott Breckinridge,  
Deputy Inspector General, attended a meeting at State Department with  
representatives of INR, including Mr. George Denney, Deputy Director,  
Bureau of Intelligence and Research, Department of State, Marvin Gentile,  
Deputy Assistant Secretary for Security, Department of State, and Tom Smith,  
FBI, to consider FBI's objections to State's proposed report. As a result  
of the meeting, State's report will be substantially revised, the extent depending  
upon the outcome of Thursday's session between the Attorney General and the  
Muskie Surveillance Subcommittee. See Memorandum for Record for details.

25X1 9. [ ] Called Al Friendly, Counsel, Subcommittee  
on Intergovernmental Relations, Committee on Government Operations, and  
told him that it is doubtful that OMB will have cleared our views on Senate  
bills S. 1726, S. 2451, S. 3399 and S. 3393, by the deadline of 22 May,  
which caused him no great concern. I said we were optimistic that our answers  
to the Committee's seven questions will be cleared by OMB by the deadline  
date of 24 May.
