1. Met with Messrs. Saunders and [ ] Office of the Comptroller, Mr. [ ] Technical Services Staff, [ ] Administrative Staff, Office 25X1 the Deputy Director (Plans), and Mr. Lloyd at which time it was agreed that payment of per diem to employees of the Technical Services Staff [ ] 25X1 [ ] was administratively improper and should be terminated effective 30 June. The Comptroller was directed to adjust the necessary accounts accordingly.

3. [ ] advised me that the Director did not want to change existing Regulations in any way but in the future would like me as Deputy Director (Administration) to sign off on all requests for travel in the United States on an actual expense basis when in my judgment justifications appeared to be proper and to refer to him for disposition those requests where justifications appeared to be inadequate. 4. [ ] advised me that there were three colonels on the Mark Clark Committee who wanted to move permanently into the South Building and that he had told them that they could pending the big move, at which time a change would probably have to be made. In addition, he said that he needed one additional room for his own people who were over there.
