25X1

Mr. Dulles:

Asked DD/P and DD/I to prepare a coordinated paper for his use at the NSC Meeting on Thursday, 28 October, on the subject of "reported lessening of Soviet tensions".

Mr. Wisner:

Reported that the School of Advanced Studies intends to hold a seminar on world-wide labor problems and said it would be possible for CIA to be represented. The Director stated we should take advantage of this and noted it might be well for [redacted] to attend. However, if it is deemed inappropriate for him to go for security reasons, we could send a [redacted] representative.

25X1

Colonel White:

a. Reported on CIA contributions to this year's Community Fund and noted we were behind last year's effort. The Director asked those present to do all they could in their respective areas to increase contributions and prevail upon more people to participate. Colonel White undertook to get in touch with Personnel, Training and Commo.

b. Reported in view of the fact that the Clark Committee wishes to keep in its offices classified material, he had authorized Colonel Edwards to provide 24-hour guard service. The Director approved.

c. Reported that preliminary hearings with the Bureau of the Budget on our '56 Budget would begin on Wednesday, 27 October, and General Cabell would kick these hearings off. Colonel White suggested that DD/I and DD/P attend the above meeting now scheduled for 10:00 a.m. The Director approved and stated we would hold the Deputies' Meeting at 9:00 a.m. on that date.
