DIARY NOTES

DD/A

21 July 1954

1. Attended the weekly meeting of the committee preparing for the Clark Task Force. (See Memorandum for the Record.)

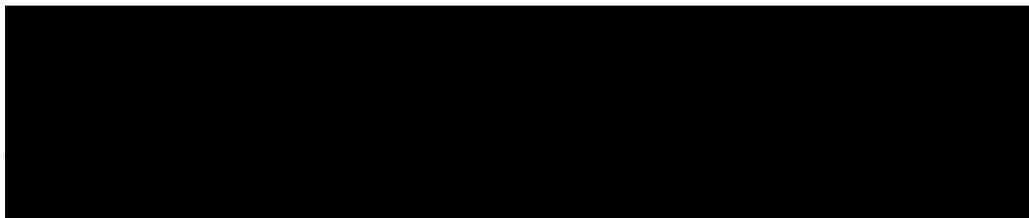

25X1A9a

2. I approved of Ed Saunders notifying the parents of [REDACTED] that he owed us \$394 and asking that they do anything they could to collect it for us.

3. I gave Ed the paper which I had received from the Office of Personnel on additional allowances and asked him to comment on it and return it to me soon.

4. Attended a Project Review Committee Meeting at which the following projects were approved:

25X1A2d1

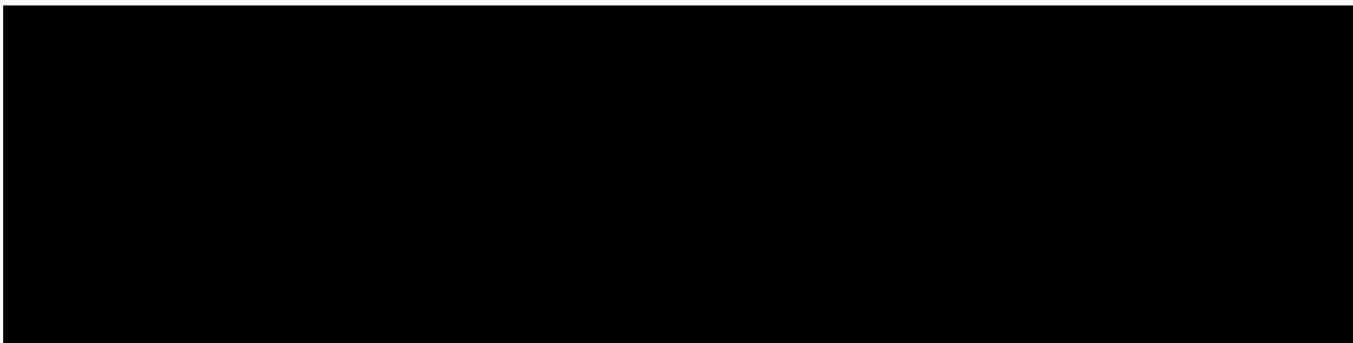

CENIS

25X1A

5. At the Deputies' Meeting I explained to the group the pros and cons of taking over the GPO Printing Plant in South Building and merging it with our own Printing and Reproduction Plant [REDACTED] After a brief discussion the Director approved of taking this action if we could work it out with the Joint Committee on Printing and the Government Printing Office.
