1. By telephone I discussed with [REDACTED] and [REDACTED] of the FE Division, the purchase of a house in [REDACTED] for \$25,000. Since we could not contact the Bureau of the Budget for permission, I approved of this purchase, with the understanding that [REDACTED] would notify them on Wednesday, 26 December, that since we had to consummate the deal prior to 31 December, we did not feel we could wait to obtain their permission.
