25X1A9a

2. [REDACTED] advised that it had been discovered that GEHA was incorporated under the wrong section of the insurance code and that our charter was in the process of being amended to make it legal. I re-emphasized the necessity of having a member of the Office of the General Counsel sit in on and participate in all GEHA business.

25X1A9a

3. During the course of a briefing by the Management Staff, [REDACTED] pointed out to me that the OCR Library was spending \$500,000 a year for books and purchasing over 12,000 new books each year.

25X1A9a

4. [REDACTED] agreed that his present ceiling could be lowered by two without loss of efficiency in his Staff; consequently, I have directed that this be done.
