1. Attended the Commissioners' Reception and later the Awards Ceremony in celebration of the Civil Service Commission's Seventy-fifth Anniversary. Commissioners Ellsworth and Lawton again thanked me for the trip to [REDACTED] as did [REDACTED] when I saw them. I also saw Senator Carlson and Congressman Rees and spoke with them briefly.

2. Attended a presentation given to General Cabell by Jim Garrison and [REDACTED] on the [REDACTED] project. General Cabell was most favorably impressed but hoped that we could project the financial statistics sufficiently to show an eventual saving, especially in view of the fact that an initial outlay of \$2,000,000 will be necessary to get into [REDACTED] and become operational. He requested that I go to the site as soon as possible and inspect the facilities and said that unless this inspection revealed something to the contrary we should go ahead and present the project to the Project Review Committee.
