building. This will be a very big undertaking which will involve the development of a master plan to be approved by General Carter. John endorsed this idea wholeheartedly.

2. Jim Garrison and [redacted] were in to brief me on the status of our real estate and construction and to present the first monthly report in a new format. I think that we are off to a good start on reporting from the Real Estate and Construction Division. I emphasized that I wanted to extend this system to all other divisions in the Office of Logistics.

4. Jack Earman telephoned to advise me that in his survey of the Technical Services Division he was going to recommend that the Chief of Support in TSD be given full financial and administrative authority and responsibility for project MKULTRA. He said that DD/P had concurred in this recommendation.
