DIARY NOTES

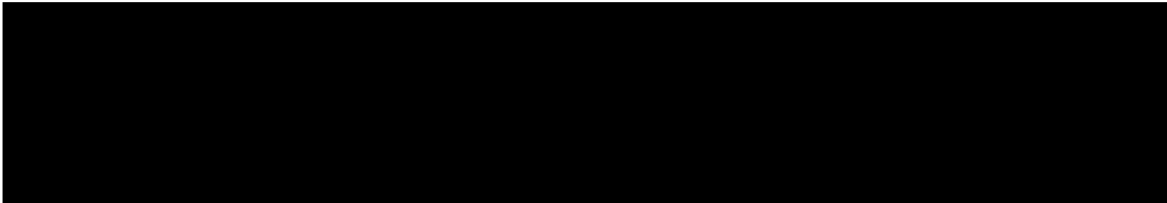

DD/S

17 June 1964

25X1A

1. I addressed the Clandestine Services Review Course and was somewhat disappointed to find that there were only fifteen students in the course and that only eight of them were returnees from the field. Since speaking at this course takes quite a bit of senior Agency officials' time, I question whether we should run it unless we have a larger number of students.
