In a later conversation with Chairman Nedzi, he told me that he had talked to Chairman Jack Brooks (D., Texas), Subcommittee on Government Activities, House Committee on Government Operations, and that William M. Jones, Staff Director of the Subcommittee, will be sitting in on the Agency briefing on Monday. Nedzi told me there were no particular caveats but that the meeting would be in Brooks' office and for the purpose of briefing him on the SAT matter. As far as Air America/Air Asia, Nedzi said we should not hesitate to mention the GAO study and fill him in on as much detail as is necessary. I thanked him for his advice.
