CONFIDENTIAL

4 NOV 1975

EXCERPT FROM JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

	LIAISON David Martin, Senate Judiciary Internal Security staff, called and asked if we had any	-
information on	who was a member of Makilovich's forces and	
had worked with		l
	the U.S. Army after the war in an intelligence capacity ief of Staff, G-2) and has made a statement that he was	1
	United States in a highly confidential capacity. After	
	the U.S., worked for the Army Map Service.	
	problem in the case is that settiring but has been	
	wice credited under Civil Service retirement for the	
	during the war. He wondered if we could check our files	
to see if there w	as anything we could do to verify service to the	
	as anything we could do to verify service to the we would take a look at it. Martin asked if we could provide	
U.S. I told him him with inform	we would take a look at it. Martin asked if we could provide ation on the World Peace Council and its various congresses.	
U.S. I told him him with inform He said they wo	we would take a look at it. Martin asked if we could provide ation on the World Peace Council and its various congresses. Ild like a complete rundown of anything we have on this,	
U.S. I told him him with inform He said they work hopefully, in a f	we would take a look at it. Martin asked if we could provide ation on the World Peace Council and its various congresses, ald like a complete rundown of anything we have on this, form that could be used by the Subcommittee with only minor	•
