1.  HEARINGS Took five copies of the Agency statement for the Joint hearings on Biomedical and Behavioral Human-use experimentation to Larry Horowitz, Committee on Labor and Public Welfare, Subcommittee on Health. That same evening, I declassified portions of the Agency's responses to Senator Edward M. Kennedy's (D., Mass.) 25 September letter. This involved the 28 October and 5 November responses. The declassification was based on consultations with   DDS&T and Dr. Sayre Stevens, DDS&T. In general, we deleted all names of organizations as well as references to Dr. Gottlieb, Lashbrook, and the destruction of files.
