Tuesday - 7 January 1975 25X1C Al Tarabochia, Chief Investigator Senate Judiciary Subcommittee on Internal Security, called and withdrew Jay Sourwine's, Chief Counsel, request Tarabochia said he would give his information to Sourwine, but he asked that I call Sourwine independently advising him of the results of my checks. I assured Tarabochia that if I developed any information contrary to what he has I will call him first before contacting Sourwine. I inquired as to the status of the Committee staff study on the Venceremos Brigade which Tarabochia is preparing with an input from the Agency. He judged that he would have the final draft of the study completed by the end of this month or early next month. He said he was still having a problem getting the other input (FBI) into the report; however, he is prepared to complete the study without this contribution. Received a telephone call from Frank Slatinshek, 2. Chief Counsel, House Armed Services Committee, who told me that Chairman Lucien N. Nedzi (D., Mich.), Intelligence Subcommittee, House Armed Services Committee, wants to start Agency hearings on the morning of the 20th of January and that Jack Boos of Chairman Nedzi's personal staff is coming on to the Armed Services Committee staff to handle intelligence matters. Slatinshek asked if we would provide at least the preliminary list of Agency personnel who will be appearing or should be called in the hearings on Agency domestic operations. It will be appreciated if this list together with a set of whatever newspaper clippings have been gathered by the Agency on this subject could be provided tomorrow. See Memorandum for the Record. Bill Jones, State, called to get the citation from the Foreign Assistance Act which relates to Agency overseas I called his intelligence activities. After consulting with 25X1A office and provided the answer. E ZIMPOET CL BY LLTE
