

JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Friday - 25 April 1975

[REDACTED]

1. (Unclassified - RJK) Called Melanie Dunshie, in Representative Bill Frenzel's (R., Minn.) office. I told her I was responding to her earlier request for a State Department study of the Khmer Rouge. Based on guidance from Mr. Cary, I told her that there was no Agency report fitting the description and that we could not offer anything unclassified on the subject. She replied that she suspected this would be our answer and thanked us for checking.

2. (Unclassified - RJK) Spoke with Jodie Levin-Epstein, on the staff of Senator Dick Clark (D., Iowa), who asked for the source of a statistic in the Agency publication entitled "Potential Implications of Trends in World Population, Food Production and Climate." After conferring with [REDACTED] Congressional Support Officer, OCI, it was decided to have the author of the paper call Ms. Levin-Epstein to discuss the matter with her.

3. (Unclassified - DFM) Delivered to the offices of Representatives James A. Burke (D., Mass.) and George M. O'Brien (R., Ill.) suggested replies to constituent inquiries.

4. (Unclassified - DFM) Dropped by the office of Representative John Jarman (D., Okla.) to show them a copy of Mr. Cary's recent response to [REDACTED] a constituent of Mr. Jarman's. They were most appreciative and understanding.

5. (Unclassified - DFM) Picked up from the office of the Senate Judiciary Subcommittee on Administrative Practice and Procedure a letter from Senator Edward M. Kennedy (D., Mass.) to Mr. Colby.

6. (Unclassified - DFM) Delivered to Mr. Charles Lombard in the office of the Senate Committee on Aeronautical and Space Sciences a reply to a letter from Mr. Lombard to [REDACTED]
