MEMORANDUM FOR THE RECORD

OLC 75- 0466

3 March 1975

25X1		SUBJECT: Conversation with NSA, 9 July 1973	25X1					
25X1		1. I called NSA, and told him I had seen Bill Hogan, House Armed Services Committee staff, on the Hill today and Hogan said NSA had mentioned the contact with the Agency						
25X1		and that had suggested Hogan contact them.	٠					
25X1 25X1		2. Hogan told Buffum that never said anything to him about NSA. I said I told Hogan he had a communication problem that had a note in the file that he had told Hogan to contact NSA. Hogan said he didn't recall it but he couldn't deny it. I told that I also talked to Chairman Lucien Nedzi, Special Subcommittee	25X1					
23/(1		on Intelligence, House Armed Services Committee, about this.						
25×1								
25X1		Allen went up and briefed Nedzi fully on NSA, but they have not been going up since the inquiry issue started. I told I would keep in constant touch with Nedzi and Jack Boos although the Director didn't think it appropriate for him to contact them while the Select Committee issue was under consideration.
