MEMORANDUM FOR: DDI/SRS

SUBJECT: Transmittal of Study, Principal Aspects of Socialism in Latin America

[Redacted]

25X1A2g

The attached study, prepared by the International Communism Division of this Staff, describes the Latin American Secretariat of the Socialist International and the principal Socialist parties in Latin America. Particular attention is given in the study to Socialists who promote Communist objectives, and to the closeness of certain Latin American Socialist parties to the Communist line. The study was written for DDP use; it does not represent an official U.S. Government position on Socialism in the countries concerned.
