

TO: External addressees

FROM: Deputy Director, Plans

SUBJECT: Tabulation of Data on the 1955 Warsaw
and 1957 Moscow World Youth Festivals

The attached tabulation was prepared as an aid in evaluating the relative success or failure of past and future World Youth Festivals, not only internationally, but also regionally and nationally. It may also be of assistance in determining any changes in the areas, countries or organizations that appear to be the primary targets of Communist front activity.
