MEMORANDUM FOR: The Director of Central Intelligence  
VIA: Deputy Director (Plans)  
SUBJECT: Communist Party Training Schools  
and Related Activities in Latin America

1. Attached for your information is <sup>a</sup> subject brief, which was prepared by the [REDACTED] of this Staff in response to a request from the Department of the Army. The Communist strategy of achieving a "peaceful transition" to Socialism has required increased emphasis on the organizational and ideological training of party members. A major purpose of this training is to provide Communists operating within the "enemy camp" (i. e., in mass movements, institutions, and organizations dominated by non-Communists) with the arguments and the faith necessary to undermine bourgeois and imperialist ideas and to establish Marxist points of view. In Latin America, where the Communists represent a very small minority, there has been particular emphasis on this strategy and the training associated with it. 25X1A8a
