MONTHLY REPORT  
TECHNICAL SERVICES BRANCH  
ENGINEERING STAFF  
1 May - 31 May 1966

1. KY-3 Program

a. A Call Director was installed in the Offices of the DCI and Special Assistant, and in the Office of the Director of Communications.

b. A KY-3 with three extensions was installed at the DCI residence.

2. A review of our training program for this past fiscal year indicates that the amount of training time for our technicians increased 35% over the previous year. In projecting the training time that will be required for FY-67, and taking into consideration new systems such as ARLS, MAX II, MAX III, [REDACTED] etc., the indications are that our training time will increase another 25%. We will spend at least 28 man years of training time this coming year, which will be still less than 10% of our technical force.
