25X1A9a

3. Messrs. [redacted], (WET's) have been in [redacted] since 12 September revamping and servicing their communications center.

25X1A6a

25X1C8a

[redacted]

5. Chief, TSB, Mr. [redacted] attended the Hewlett-Packard Symposium at San Francisco during the week of 19 September. Approximately 195 people from Government, Industry and Educational Institutions attended. Such subjects as calibration, state of the art on test equipments, technical recruitment, training programs, and management were discussed during the various panel meetings. A compliment was paid one of our senior technicians by Hewlett-Packard's asking him to participate in one of the panel discussions.
