REF: Memorandum from Contracting Officer to Director of Communications,
dated 26 November 1958

1. The list of Government property furnished by [redacted]
[redacted] and attached to reference has been carefully
reviewed by this Staff. It appears that all items, except one, will
be used in the development of the end product.

2. The sole exception is a Tape Recorder Mechanism, valued at
\$49.00 and procured under Purchase Order 30887. This unit will not
be incorporated into the deliverable prototypes and should therefore
appear on the contractor's residual inventory list.
