Dear [Redacted]

25X1

[Redacted] and I called this morning at quarter of twelve to discuss further with you our willingness to put overtime work upon the development project we are doing for your organization.

25X1

Since we were unable to contact you, we will place the call again tomorrow morning and, if at that time we are not able to get together, we will put the details of our proposed working arrangement in a letter to you.

Very truly yours,
