(Contract EB-107 - Task Termination)

25X1

1. Task Order 4 of the subject contract with the [redacted] is for the development of a very low frequency ferrite antenna.

25X1

2. Progress on this task to date indicates that the performance of such an antenna would not provide the characteristics which had been expected, and the contractor and representatives of this office agree that further work on this development would not be justified.

3. Accordingly, it is requested that Task Order 4 of Contract EB-107 be terminated at your earliest convenience.
