Director of Logistics

Director of Communications

(Contract NS-107, [Redacted])

1. [Redacted] has developed the High Speed Agent Communications Set, NS-164, under Contract NS-107, Task Order 1. A proposal was requested from the contractor to fabricate ten additional service test models of this unit.

2. The contractor's technical proposal and estimated cost breakdown for this equipment under items 1, 1A, 2 and 3 of the attached document have been evaluated and are considered satisfactory. The proposal covers the fabrication of ten service model NS-164 sets.

3. A task type contract, NS-107, is presently in effect with this agency. It is suggested that Task Order 10 be negotiated with [Redacted], in accordance with the attached proposal and cost breakdown for the performance of this work. Attached for this purpose is Requisition No. NS 32-545 dated 12 June 1958 indicating that the allotment to be charged for this work is 6/7995-30. Funds in the amount of \$112,728 have been encumbered for this project. The association of the agency with this contract as well as the actual equipment and all operating manuals, instruction books and reports are classified SECRET - [Redacted]. The contract engineer for this task is [Redacted].
