Security Classification of the RS-19

REF : Memorandum to, Chief, Procurement Division, OL, from, Chief, Engineering Division, OC, dated 1 April 1957, Subject: "Request for Technical Proposals"

1. The Security Staff of the Office of Logistics has requested that the classification of the RS-19 Development Program specified in the referenced letter be reconsidered. The classification has been reviewed and it has been decided that both the completed RS-19 and the Specifications should be classified ~~SECRET~~. The RS-19 components and sub-assemblies should not be classified, however, and it is our understanding that the Engineering Division will designate the assemblies which should be classified. The equipment will be declassified upon receipt in the Agency warehouse.

2. This letter confirms a telephone conversation of 8 April 1957 with [redacted] and supersedes the classification instructions in the referenced letter.
