Subject: Proposal for Discone Antenna Modification

Enclosure: (1) Three copies, [Redacted] Detailed Cost Estimate  
(2) One copy, Description and sketch of Antenna

25X1

Gentlemen:

In accordance with your request, we are submitting herewith our proposal for the modification and measurement of a discone antenna. This proposal is based on the following work.

1. Cut five modified discone antennas and fabricate five top plates as shown on drawing furnished by the contracting agency, except that some of the dimensions shown on the drawing will be changed to permit packaging in the specified box.
2. Reassemble one antenna and make far field E plane patterns H plane patterns and gain measurements at eight frequencies as specified on the continuation sheet.
3. Pack five antennas in ten boxes constructed for this purpose in accordance with the instructions on the continuation sheet.
4. Furnish one reproducible and three copies of the Test Data and one reproducible and five copies of Assembly and Disassembly instructions.

Proposed delivery of above items is ninety (90) days from receipt of authorization.
