Renewal of [redacted], Service Contract under Contract RD-128

25X1

REF : Eng. 8-771

1. The referenced memorandum requested you to establish a new Task Order 8 in the amount of \$10,000.00 under the subject contract. This task was to provide engineering and shop services similar to those provided under Task Order 3 during Fiscal '58.

2. After a telephone conversation with [redacted] of the Research and Development Contract Branch of your Office, it was suggested that instead of writing a new Task 8, the present Task Order 3 should be extended to include Fiscal '59. Since adequate funds still remain under Task 3, it was agreed that this would be a logical step to take.

3. You are therefore requested to extend the present RD-128, Task Order 3, for the period of 1 July 1958 through 30 June 1959 utilizing the remaining funds in the amount of \$23,210.12 under Allotment No. 8-7912-50-600. In addition, the attached Requisition Cancellation No. 14-59, indicates that Requisition MSB 59-9 be cancelled in its entirety. Agency association with the extended Task Order 3 will remain SECRET. If further information is required, please contact [redacted]
