Contract RD-128, Task Order 3 with [redacted]

25X1

1. Under the terms of the subject contract, [redacted] is providing engineering and shop services in the form of a [redacted]. Since the \$35,000.00 originally allotted to this task during FY '58 was only partially committed, Task Order 3 was extended to include all work done in FY '59. We are now advised that Finance and Budget Regulations do not permit manipulation of funds in this manner. At the present time, therefore, there are no funds available under this task for use in FY '59.

25X1

2. Currently, an urgent operational requirement exists for the design and fabrication of a group of special receiving antennas. [redacted] indicates that the CFFF cost of this antenna work will be \$24,397.03. As a result, funds must be made available to permit this and any future work to be done under Task Order 3.

25X1

3. It is requested, therefore, that the funds in this task be replenished. Attached is Requisition No. MSB 59-467 indicating that the allotment to be charged for this work is 9/7900-50-600. Funds in the amount of \$30,000.00 have been encumbered for this purpose. If additional information is required, please contact [redacted]
