Office Memorandum • UNITED STATES GOVERNMENT

TO : Chief, Engineering Staff, OC-

DATE: SPM 9-0873  
9 APR 1959

FROM : Chief, Special Programs Staff, OC

SUBJECT: Allotment of Funds

1. It has been recently brought to our attention by personnel of your office that due to some misunderstanding FY 1959 funds were not allocated to the [redacted] Contract existing at [redacted]. The reason given for this discrepancy was that at the end of the past fiscal year a balance remained which was deemed adequate to carry on this years program. However, at this time the interpretation by the Office of Logistics is that this being a task type contract, fiscal year 1958 funds may not be expended for FY 1959 tasks.

2. To liquidate the deficit and effect payment for work already accomplished this fiscal year by [redacted], and to provide for funding of a task now being negotiated, it is requested that the sum of \$30,000.00 be allocated from Allotment 9-7900-50-600 to RD-128 in Task Order 3.
