Attention: 

Subject : Task Order No. 1  
Contract No. AD-161

Gentlemen:

This letter constitutes authorization to proceed with the performance of Task Order No. 1, under the terms and conditions of our Contract No. AD-161. You are to begin this work as of the date of your acceptance of this document as indicated below.

The scope of the work to be performed under this Task Order is set forth in the Schedule which is attached to and made a part of this Task Order.

The estimated cost of performing this Task Order, exclusive of the fixed fee, is thirty-six thousand seven hundred twenty-two dollars and no cents (\$36,722.00). Costs in excess of this amount shall not be incurred without the prior written authorization of the Contracting Officer.

The fixed fee for the performance of this Task Order shall be two thousand five hundred seventy-two dollars and no cents (\$2,572.00).

The work to be performed under this Task Order shall be completed on or before ten (10) months from date of acceptance.

Upon completion of this Task Order, the Contractor shall render an accounting and inventory for any property governed by applicable Article(s) of the basic contract and shall accord the said property such disposition as the Contracting Officer may direct in writing.

SCHEDULE

SCOPE OF WORK

(See attached Sheet).

SECURITY

The work to be performed under this contract, all reports, and all deliverable items are to be UNCLASSIFIED.

In the event any question may arise during the preliminary phases of the work and/or research concerning the security of the technical aspects, i.e., security classification of various component parts and/or related reports connected thereto, the Technical Representative of the Contracting Officer is authorized to furnish security guidance during this interim period.

This is only to be considered an authorized expedient and efficient means of resolving technical security problems by the Technical Representative of the Contracting Officer on the spot and is not to be construed as a waiver of the Contractor's responsibility to request formal written notification and/or authorization from the Contracting Officer prior to effecting any changes in over-all security classification of the contract, or item and/or reports being developed thereunder or the Contractor's Security Requirements, as agreed.

The association of the sponsor with the work being produced under this Task Order is classified SECRET. This classified information will be divulged only on a need-to-know basis and then only to those who have been authorized in writing by this Government component to have access to classified information.

SECURITY (Continued)

Correspondence originated by the Contractor and/or other data to be submitted hereunder, the contents of which contains classified information or refers to the number of this Task Order and/or Contract, the name and/or address of the Contracting Officer shall be stamped by you with the classification of SECRET. Unless the first paragraph of this Security Article specifies the program, work or items hereunder are classified, all other correspondence and/or data, including reports, need not be classified.

REPORTS

Technical Progress Reports, a Final Report, manuals, drawings and similar data, as may be required under this Task Order shall be submitted at such times and in such format as may be specified by the Technical Representative of the Contracting Officer or may be as otherwise set forth in the "Scope of Work" article of this Schedule.

SHIPPING INSTRUCTIONS

Any items to be delivered under this Task Order shall be delivered FOB destination to whatever location within the continental limits of the United States as may be later stipulated by the Contracting Officer or his technical representative.

All deliverable items, if any, shall be packaged and crated if applicable, in accordance with the Contractor's best domestic commercial practice or as further amplified by auxiliary specific instructions of the Contracting Officer or his technical representative.

In the event any material or items which may be concerned hereunder are, or may later become SECRET or CONFIDENTIAL and when the size or weight of such material or items classified SECRET or CONFIDENTIAL makes shipment by registered mail impracticable, commercial shipment should be made only by the Railway Express Agency "Protective Signature Service." The material must be securely crated and banded and prior to shipment the contractor shall advise the Contracting Officer of (1) the date the material will be shipped, (2) the approximate date of
