Contract RD-145, Task Order 2

25X1

1. Work requests are being processed which will reduce the \$35,000.00 allocated to the subject service type contract to \$3,998.67. Three work orders will have been issued over the past ten months to reduce the allocation to its present balance.

2. Currently, an urgent requirement exists for the fabrication of safety switch modification kits for the Collins 231-D and 16-F transmitters. An increase in funds will be necessary to permit this additional work under the terms of the subject contract. Therefore, it is requested that the funds be replenished.

3. Attached is Requisition No. MSB 58-528 indicating that the allotment to be charged for this work is 8/7995-50. Funds in the amount of \$35,000.00 have been encumbered for the proposed work. If further information is required, please contact
