Dear Mr. Dulles:

In support of the US Army War College course dealing with International Relations and US Foreign Policy for the 1960-61 academic year, we are again scheduling a series of panels to examine US foreign policy problems with respect to selected geographic areas in the context of some of the more critical world issues. Accordingly, I am writing to ask whether you will approve participation of representatives of your Agency with our student committees in practical discussion periods.

We have scheduled eight concurrent panels to be conducted on 26 October on US policy problems with respect to the Soviet Colonial Empire in Europe, Western European Regionalism, Africa South of the Sahara, the Middle East, Latin America, the Far East, Southeast Asia, and the South Asia Subcontinent. It would be most helpful if you could make a representative from your Agency available for each of these panels.

The Department of State, Department of Defense, US Information Agency, and the International Cooperation Administration are also being invited to send representatives to selected panels.

To provide freedom of discussion, we request that all who attend have a TOP SECRET clearance.

Inclosed is a list giving panel numbers, subjects, and prospective participants.

Provided that you concur in sending representatives, we will contact whomever you wish to designate from your staff to handle the administrative details.

We are deeply appreciative of your past support of the College, particularly your highly beneficial personal visits, and are most hopeful that you will be able to name representatives from your Agency to participate in these panel discussions.

Sincerely yours,

BRUCE PALMER, JR.  
Brigadier General, United States Army  
Acting Commandant
