MEMORANDUM FOR: Classification & Wage Division

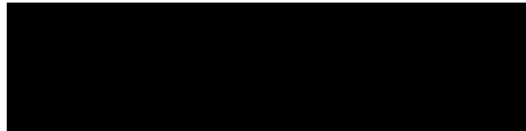

25X1A9a

ATTENTION: 

SUBJECT: Transfer and Reclassification of a Machine Division Position

1. Per our previous conversation, it is requested that slot no. 144, clerk, GS-3 in the Information Processing Section, Machine Division, be abolished and that a Laboratory Electronics Mechanic, GS-7 position be established in the Maintenance Section, Machine Division.
2. It is hoped that the position description now being prepared will prove this position worth a GS-9.
