

MAY 27 1953

Chief, Coordination & Requirements Staff, LO
Asst. Chief for Operations, Logistics Office
Coordination of Administrative Plans for Proprietary Projects

REF : Minutes Logistics Office Staff Meeting 5 May 1953

1. Paragraph 1. b. of the referenced document places responsibility for follow-up on the operational phase of such plans with this Office.

2. Accordingly, [redacted] in the Supply Division and Messrs. [redacted] in the Procurement Division have been designated as contact points in their respective divisions for any matters concerning administrative plans for proprietary projects.

3. It is understood that Area Coordinators on your staff will coordinate matters pertaining to proprietary projects with these contact points as the need arises.

4. It is also requested that administrative plans for all proprietary projects in which the Logistics Office has an interest or responsibility be submitted to this Office for information, review, and concurrence.
