Chief of Logistics

STAT

Contemplated Trip of [Redacted]

STAT

1. It is my understanding that [Redacted] of your Division is making an inspection trip to certain stations under your jurisdiction and will, among other things, make an unofficial audit of records and inventory station property.

STAT

2. [Redacted] has been briefed by this office on current logistics objectives in your area, and on the proposed standardized Agency supply system. He has also been furnished necessary copies of all records available in this office, to help in proper inventorying of property.

STAT

3. In view of above, this office desires to convey to Mr. [Redacted] the authority to represent the Logistics Office in any discussions and recommend action necessary, in implementation of proper and approved Logistics procedures.
