

REVISED OFFICE OF SECURITY
STATISTICAL REPORT FORMAT

28 November 1966

MEMORANDUM FOR: Director of Security

SUBJECT : Office of Security Statistical Report for
OCTOBER 1966

1. The attached tables reflect some of the activities of certain components of the Office of Security during OCTOBER 1966.

2. The statistics in the tables are compiled by the component concerned and refer to the current month.

3. The overt cases received for September (3080) were the highest since May 1963. For October 1966, 1927 overt cases were received compared to 2015 for October 1965. With a decrease in the receipts for October 1966 of overt cases, this has afforded an opportunity in the covert area to concentrate on the covert approval requests.
