MEMORANDUM TO EXECUTIVE FOR I & S

SUBJECT: Annual Inspections for Calendar Year 1948

1. GENERAL:

a. Inspections of CIA installations overseas for the year 1948 will be based upon a general requirement for inspection of all overseas CIA installations at least once every two years.

b. Inspections of CIA installations in the United States should be based upon yearly inspections as soon as the Inspection and Audit Branch is fully organized.

c. Staff Surveys of the operations of CIA offices in Washington will be on a continuing basis as ordered by the Executive Director and in compliance with Memorandum, Subject "Staff Surveys of Activities of CIA", dated 23 September 1947. Such surveys will be made from an operational basis in close coordination with the management program conducted by the Executive for A & M.

d. Inspections under paragraph a and b shall be conducted only on written directive of the Director of Central Intelligence. Inspections may also be conducted at the request of the appropriate Assistant Director and approval by the Director. This memorandum authorizes the inspections provided in paragraph b.

e. Audit inspections of Unvouchered Funds have been covered by a separate memorandum. Upon conclusion thereof, auditors will accompany inspectors on such trips as their presence may be needed.

(Handwritten scribble)

2. INSPECTION POLICY:

While the functions of inspection as assigned to your office are stated in CIA tables of functions and further amplified by the Bureau Manual, I regard it as highly important that you and your inspectors already adhere to my general policy which may be summarized as follows:

a. A spirit of helpfulness to CIA personnel in the field and to the parent offices in Washington.

b. The approach to inspections from the point of view of protection and assistance to the appropriate Assistant Director as well as to the Director of Central Intelligence.

c. Inspectors have no expressed or implied command function nor power to issue directives in the field.
